

Altar Servers Needed

Is the Holy Spirit tapping you on the shoulder? Do you wonder how you could serve the Parish in some way that would not take time away from your busy schedule? Are you looking for an opportunity to give service without an overwhelming commitment?

Becoming an Altar Server may be just the answer!

We are looking for ***both children (grade 5+) and adults*** who would like to be of service. You have the chance to learn about the Mass up close! You could choose to serve once a month, or as often as you wish. We all attend Mass weekly, why not consider increasing your participation by joining this wonderful Ministry.

If you are interested, you can see Kathy Sexton or Deacon Claude at Mass, call the Parish Office or just drop the form below in the collection basket, ATTN: Altar Serving. Form is also available at www.sttitus.org under Ministries-> Liturgical Ministries -> Altar Servers and can be sent to sttitus@sttitus.org. Thank you for your prayerful consideration!
