SELECTION PROCEDURE

The selection process will be conducted in a double blind format, meaning the identities of the candidate and the reviewer will be unknown to each other. After the submission deadline the Rectory will forward eligible applications to the STAC selection committee. Upon completion of the review process, a recipient will be selected. The recipient will be notified by the Rectory and a formal presentation of the award will be made at the weekend Masses soon after notification.

The STAC Scholarship is a partial-tuition scholarship (\$750) based on character, commitment, and promise. The scholarship is paid directly to the school. A student may submit an application for each year of eligibility. However, this is a "one-time" only Scholarship, meaning that you may not reapply if you are a prior awardee. Also, multiple members of the same household may be awarded the scholarship, but only one award per household member.
